## 1. Policy Statement

Core Insights Consulting UG is committed to promoting sustainable development and minimizing negative environmental and social impacts in all project activities.

## 2. Environmental Commitment

We aim to:

- Reduce environmental impact of project activities
- Promote efficient use of resources
- Avoid unnecessary waste and pollution
- Encourage

## 3. Social Responsibility

We are committed to:

- Promoting inclusion and equal opportunity
- Ensuring non-discrimination in all activities
- Supporting vulnerable and marginalized groups
- Respecting local cultures and community structures

## 4. Compliance with Laws and Standards

We comply with:

- Applicable environmental laws and regulations
- EU sustainability principles
- Local laws in countries of implementation

## 5. Implementation Approach

Environmental and social considerations will be integrated into:

- Project design
- Field implementation
- Partner coordination
- Monitoring

## 6. Partner Responsibility

All implementing partners are expected to adhere to this policy and contribute to sustainable and socially responsible project delivery.
